

## WINE LIST

The wine cellar at Fagn is built with a strong connection to classic wines from classic regions. Most of the wines you find in our cellar are from European countries and from producers with a long and proud history.

Our cellar compliments the food-style at Fagn with pure, distinctive flavors and a strong signature from its country or area of origin. Here you can find a wide range of great wines that pair well with what we serve in our Dining Room.

Fagn and its connecting Bistro is decorated with One Star and BiB Gourmand in the Michelin Guide 2024
